

SSET'S
S. G. BALEKUNDRI INSTITUTE OF TECHNOLOGY
Department of Electronics and Communication Engineering
Shivbasava nagar, Belagavi.

Vision of the department:

The department of Electronics and Communication Engineering strives to develop responsive teaching-learning methodology, research and employable skills in allied fields by empowering students to become globally competent and socially responsible citizens.

Mission of the department:

M1: To develop an active learning environment that ensures participation of students in both curricular as well as co-curricular activities by adopting student centric approach catering to the diverse needs of the student community.

M2: To foster research, innovation and creativity among students by motivating them to have in-depth knowledge of Engineering fundamentals in respective fields.

M3: To encourage development of entrepreneurial skills amongst students by imparting quality education and value added skills required for sustainable and holistic development.

M4: To inculcate amongst students team spirit, leadership qualities, positive attitude and effective communication skills to solve societal needs.

Program Educational Objectives:

PEO1: To reinforce the concepts and fundamentals in mathematics, science and engineering to cultivate problem solving skills and to enthuse for higher studies.

PEO2: To empower our graduates with comprehensive knowledge in the domain area.

PEO3: To provide an opportunity to enhance practical knowledge by developing conceptual and design skills with innovative ideas.

PEO4: To prepare graduates to use modern tools, techniques and skills to apply in various pertinent topics of the domain area.

PEO5: To nurture graduates with knowledge of management and engineering disciplines that assist in strengthening entrepreneurial qualities, efficient communication skills and ethics needed for a professional career.
